

Auto Bank Pay Authorization Form

The easy and convenient way to pay your monthly bill.

The N.E.T. Broadband Auto Bank Pay option allows your monthly bill to be deducted automatically through your personal checking/savings account. You will continue to receive a monthly invoice stating the amount to be deducted on the 20<sup>th</sup> of the month.

- ✓ As the Auto Bank Pay option requires one billing cycle to become effective it is necessary for you to continue to send payment until your bill reads **\*\*Do Not Pay\*\* Bill Will Be Paid Automatically By Your Bank.**
- ✓ Cancelling or stopping your Auto Bank Pay requires a 30 day notice from the billing due date.
- ✓ A \$30.00 Non-Sufficient Funds fee will be charged to your account if an Auto Bank Pay transaction is returned.
