Acceptable Use Policy for Voice for Robocall Mitigation

Roxanne White CEO and Manager contact at phone 712-834-2211

Traceback Cooperation

United Farmers Telephone Company and subsidiaries (UFTC) will cooperate in traceback investigations. To allow for timely and comprehensive law enforcement efforts against illegal robocallers, UFTC will dedicate sufficient resources to provide prompt and complete responses to traceback requests from law enforcement and from USTelecom's Industry Traceback Group. UFTC has identified a single point of contact in charge of responding to these traceback requests and will respond to traceback requests as soon as possible or in 24 hours.

- UFTC will request traceback cooperation. For all new and renegotiated service applications the transport of voice calls, our web policy will specify the use of best efforts to require cooperation in traceback investigations by identifying the upstream provider from which the suspected illegal robocall entered its network or by identifying our own customer if the call originated in our network.

Subscriber Vetting Practices

- Residential and small business practices
 - UFTC will vet residential and small businesses through normal business practices and will obtain billing address, primary residence, or business location.
- Commercial retail end-users
 - UFTC will confirm the identity of commercial customers by collecting information such as physical business location, contact person(s), state or country of incorporation, federal tax ID, and the nature of the customer's business.
 - UFTC has call detail records to determine typical call volume and potential reasons for significant deviations from the typical call volume. UFTC will determine if there are legitimate reasons for any customer to be making a number of high volume, short duration calls. UFTC will contact any commercial business within 24 hours of such deviations to determine if call volumes are legitimate.

Telephone Number Validation Practices

- Telephone Number Validation is necessary and appropriate when an End-User's right-to-use the telephone number is unknown to the VSP. UFTC will validate as necessary and appropriate.
